3px Accountants = \$5,050/month per staff

That's when they discovered VirtualStaff.ph. Our innovative platform allows companies to hire top-quality virtual staff from the Philippines at a fraction of the cost of hiring locally. They decided to give it a try, and they were blown away by the results.

Like a lot of smart business owners, they decided to try with just a couple of staff, before expanding their team rapidly within a 4 month period.

21px Customer Support Staff = \$1,161/month per staff

3px Accountants = \$1,451/month per staff

So, how much did they save?

With VirtualStaff.ph, this transport and logistics company was able to hire 21 customer support staff for just \$1,161 per month, per staff member - a savings of \$3,139 per staff member per month. They also hired 3 accountants for \$1,451 per month per staff member - a savings of \$3,599 per staff member per month.

That's savings of a whopping
\$76,716 per month!

Overall, the logistics company has been able to save a total of \$76,716 per month by switching to VirtualStaff.ph. This has allowed them to reinvest those savings into other areas of the business, and they've been able to maintain the same high level of service for their customers. It's a win-win for everyone involved!
